

FROM THE PRESIDENT

Dear Prospective Member,

Thank you for your interest in becoming a member of the Association of Professional Orchestra Leaders.

Since 1978 the mission of the organization has been to establish standards of musical excellence and further professionalism among its members. Our programs are designed not only to help the careers of our members, but to enhance the public's perception of our profession.

As you review the enclosed materials, please bear in mind that like any other organization the benefits of membership correlate directly to your involvement. Although meeting attendance and serving on committees are not mandatory, they are strongly encouraged. We hope that if you are elected to membership you will consider being an active member rather than a passive one.

We all look forward to getting to know you and getting you involved in the activities of the Association of Professional Orchestra Leaders.
